

Press about Cyfrowy Polsat	Date	Press about DTH/MVNO market in Poland
<p><i>Dziennik Gazeta Prawna: Investors expect from public companies truth, honesty and clearness</i> On Friday in the WSE building The Best Annual report 2008 awards were announced. Awards for The Best Report 2008 in the non-financial companies category went to KGHM, PBG, PGNiG, in banks and financial institutions category went to ING, BRE Bank, BPH Bank. Special award from Individual Investors Association received Cyfrowy Polsat for the usefulness of the report for its readers – individual investors.</p>	26.10	<p><i>Dziennik Gazeta Prawna: The fate of mobile television depends on cable televisions and satellite platforms.</i> Pilot tests of mobile television will begin in November and it will embrace a few hundred persons. They will be customers of operators of television both cable operators (Vectra and Inea) and satellite platforms (Cyfra +, Cyfrowy Polsat) as well as mobile phone operator (CenterNet). For other operators the Info-TV-FM offer is not attractive at the moment. At the end of the year the Info-TV-FM wants to have transmitters operational in ten Polish cities. Ultimately the offer will include 31 biggest Polish cities. The service shall be available for customers in the first or second quarter of 2010.</p> <p><i>Dziennik Gazeta Prawna: Record SIM cards number. Market giants give field to small players</i> In the third quarter number of SIM cards active within Polish mobile phones operators' networks increased by about 136.3 ths., to the record level of 44.6 m of cards. Mobile telephony penetration rate, measured with the number of SIM cards on 100 inhabitants is 116.8%. Based on Dziennik information P 4, Play network operator, served c. 2.8 SIM m at the end of September, CenterNet served c. 50 ths. Mobilking, virtual mobile operator using the PTC network probably served a similar numbers of SIM cards.</p>

<p>Rzeczpospolita: Decrease to PLN 0.44 from PLN 0.59 per minute of the connection in Family Mobile Telephony, mobile service of the satellite platform Cyfrowy Polsat.</p>	27.10	
	29.10	<p>Gazeta Wyborcza: Beginning of television in mobile phones Start of broadcasting test in November Poland is the seventh country in Europe which started service of mobile television. In Warsaw it is possible to test it for free, mobile network does not matter -only the model of the handset limits this service. At the end of 2011 mobile television will reach 31 cities, including Warsaw, Gdansk, Poznan, Cracow, Katowice and Wroclaw.</p>
	30.10	<p>Parkiet: Will TVN increase involvement in the platform „n”? According to unofficial informations, ITI or TVN wants to get the additional funding in the amount of PLN 500 m. The TVN Group wants to raise capital in order to acquire further stake in the „n” platform and in this way to support financially the ITI Group. Spokespersons of ITI and TVN are not commenting this information.</p> <p>Rzeczpospolita: Will TVN increase shares in the platform „n”? Yesterday TVN, surprising the market, published chosen financial data. Financial results of the Company were not markedly different from market consensus. After third quarter platform „n” had 730 ths. of active subscribers (note: including 159 ths. of subscribers of Telewizja na kartę).</p>
