

The press about Cyfrowy Polsat	Date	The press about DTH/MVNO market in Poland
<p>brebrokers.com.pl: It will be hard for CP to repeat the increase in subscriber base from 2009 in 2010, but the market still surprises From Q1 2010 Cyfrowy Polsat is planning to publish churn rate according to the definition, not-including customers, who after the expiry of the old contract, signed a new one.</p> <p>brebrokers.com.pl: CP wants to quickly offer the Internet for all customers "At first we want to build the reach, and then to develop the network capacity together with growing sale of services. We will try to convince our partners to build the reach for nearly 100% our subscriber base as soon as possible" - comments Dominik Libicki President of the Management Board of Cyfrowy Polsat</p>	<p>08.02</p>	<p>Puls Biznesu: Virtual operators are growing in strength At the end of Q3 2009 virtual operators had: Aster - 36 ths. of cards, MNI Mobiles - c 8 ths. of cards, Cyfrowy Polsat - 36 ths. of cards, Mobilking - c 50 ths. of cards, -, mBank - c 36ths. of cards - and Carrefour Mobile Mova - c 50 ths. of cards.</p> <p>Puls Biznesu: Customers are supposed to feel well President of Polkomtel predicts, that in 2010 the mobile Internet customer base increase by 20% and they will send twice the data as they sent in 2009. „ Market of voice services is already saturated. There are still little areas for development, but they do not constitute the essential growth factor. Therefore we are attaching great significance to our customers and to their loyalty. (...) To develop the mobile Internet , we need investments in new technologies and the development of the network infrastructure. We focused on the data transmission. We have the most extensive network, in terms of the access to the broadband Internet. For example HSPA+ started already in 11 cities.” comments Jarosław Bauc</p>
<p>Puls Biznesu: Cyfrowy Polsat makes profit Q4 2009 was worse for the company than Q3, the Management Board wants to pay a dividend and launch new offer. In Q4 2009 EBITDA, EBIT and the net profit of Cyfrowy Polsat decreased in relation to the Q3 of the same year. According to the President of the Company, mainly higher cost of customer acquisition related to the higher number of customers impacted results.</p>	<p>09.02</p>
